With your help, we can continue...

 **tens of thousands**
of audience members connected through digital platforms

SERVING AUDIENCES

In this new virtual landscape, we are thrilled to continue engaging our audiences online. Our newest digital platform, Shakes@Home, is packed with exclusive content. Audiences can tune in for behind-the-scenes interviews, online lectures, podcasts, and even Shakespeare-inspired cooking classes!

 **80K+**
masks made for healthcare professionals

SERVING THE COMMUNITY

Beyond our programs for students, artists, and audiences, we are broadening our scope of work to serve our front-line medical responders. Recently, our production team launched an initiative to employ dozens of artisans across the city to make 80,000 patient masks for university hospitals and healthcare facilities.

 **50+**
online classes and training offerings for artists

SERVING ARTISTS

We are finding exciting ways to inspire and engage our artists through digital classes and training opportunities. Our actors continue to entertain audiences through our “Living Room Sonnets” project, and actor trainings have gone virtual, led by Chicago leading classical actor Larry Yando. Each day, we discover innovative ways to connect with our actors—and our art—in the digital world.

 **3.5K+**
educators and students engaging with our virtual Stream & Study program

SERVING TEACHERS AND STUDENTS

Our service to youth is thriving in the virtual classroom, including resources that help teachers and families inspire students remotely. In April, we launched a “Stream & Study” program giving educators and their students curriculum support and other materials paired with the recording of our 75-minute abridged production of Romeo and Juliet. Together, we can inspire, learn, and bring the Bard home and into our remote classrooms!

Community Partners

Thanks to the contributions of Chicago Shakespeare Theater's family of donors, we can continue to delight audiences in Chicago and around the world through our trademark approach to arts that is inspired by the spirit of Shakespeare. The dedication of our donors through both annual support and valued contributions to our **Brave New World** emergency relief campaign is recognized here.

Individual Contributors

Thanks to the contributions of Chicago Shakespeare Theater's family of donors, we can continue to delight audiences in Chicago and around the world through our trademark approach to theater that is inspired by the spirit of Shakespeare. Annual donations offset the substantial expense of producing theater of uncompromising quality and ambition. In recognition of the enhanced level of support provided by our Bard Circle donors of \$1,000 or more, Chicago Shakespeare Theater provides exclusive privileges and behind-the-scenes access. The dedication of our donors through both annual support and valued contributions to our **Brave New World** emergency relief campaign is recognized here.
