## Become the Bard!

You already know about Shakespeare's plays, and you probably already use his words without even realizing it! Now you can take the next step and actually become the Bard himself!

You'll need:

**Scissors**

**A pen or pencil**

**Tape**

Cut along the dotted lines; attach Mr. Shakespeare's face to a pen or pencil with a few pieces of tape; and Voila! **Thou art looking quite Shakespearean indeed!**
